

SUMMER WORKERS - 2025

Our Vision:

We exist to make disciples of Jesus Christ, by the power of the Holy Spirit, to the glory of God the Father. As a church, our goals can be summed up in three words:

Know, Grow, & Go.

We are passionate about seeing people train to **know** Christ, train to **grow** in relationship with Christ, and train to **go** on mission with the gospel of Jesus Christ. To that end, all of our services, programs, and ministries have been designed to help you taste and see more clearly the treasure that is Jesus Christ. We are faithful to teach the Bible, in hopes that you would learn to apply its truths to your life.

Our Desire:

One of the ways we are seeking to accomplish this vision is through our summer workers program. The program endeavors to help the students themselves grow in their knowledge of Christ, their maturity in Christ and in their abilities and gifts in serving Christ. Not only will they know, grow and serve but we hope that they will spread that to the children and youth they serve from week to week while employed at EBC.

The Scope:

Our aim is to help the summer works grow in 3 areas primarily, not exclusively.

1. **Character:** Through time with the staff, personal mentorship, teaching and discipleship we hope that the students will grow in their faithfulness to Christ in their love for him and their obedience to him.
2. **Conviction:** Through intense training, discipleship and discussion we hope that the students will grow in strong biblical reasoning and convictions that will establish their faith and doctrine firmly in God's Word.
3. **Competence:** Through many practical ministry opportunities and evaluation and encouragement from staff we hope that the students will grow in their abilities to serve the church in a variety of areas.
